

1 a continuous session? That is, referring now to the volume
2 of bills that go before the General Assembly every year.

3 DELEGATE HANSON: I think it would be possible
4 to have a unicameral system without a continuous session.
5 I think whether we have a unicameral or a bicameral
6 legislature that as the committee report suggests, greater
7 consideration toward flexibility is needed in the ability
8 of the General Assembly to determine its session.

9 THE CHAIRMAN: Are there any further questions
10 of the Minority spokesman?

11 Delegate Fornos?

12 DELEGATE FORNOS: Have you given consideration
13 to the one major problem that has been pointed out in the
14 Nebraska unicameral situation, whereby they have a non-
15 partisan system?

16 Certainly you are not advocating that, are you?

17 DELEGATE HANSON: I am certainly not advocating non-
18 partisanship and I think I can speak with confidence for
19 the other members of the Minority in that none of us are
20 considering a non-partisan system of election.

21 THE CHAIRMAN: Delegate Bushong?
